

A project supported by PEACEPLUS, a programme managed by the Special EU Programmes Body (SEUPB)

Training Course

Training programme to equip those working in the youth sector to effectively use the Voices for Impact (Vfi) Platform

What are the training benefits?

- Learn how the Vfi platform can help you in your role
- Learn how to meaningfully engage young people to get their views on important issues
- Build your skills in navigating and using the Vfi Platform
- Learn how to effectively use the data for evidence-informed decision making

MONDAY
17TH AUGUST 2026
